

## FEELGOOD FRIDAY

We would like to share some of the heartfelt messages of support that have been pouring in for our staff from members of the public through social media, email and by phone.

We would also like to take this chance to thank you for all you are doing, and how hard you are all working at this very challenging time.

“Best wishes and blessings to you in these difficult times.”

“Thanks for all that you're doing at the moment.”

“Well done to you all and all of the teams for all their hard work.”

“During these exceptional circumstances, we all appreciate the hard work and dedication shown by all NHS staff.”

“You are all doing an excellent job. Well done!”

“I have tremendous respect for the NHS and healthcare profession; you ALL do a wonderful job (or rather vocation) every single member of staff... I do not know where this country would be without the unrivalled service of the NHS.”

“Thanks very much NHS Grampian.”

“Thinking of you all and sending you strength and courage for the days ahead.”

Everyone at NHS Grampian and all NHS and frontline people are doing an amazing job!
